Diana Jennings
Personal Brand Strategist & Image Professional
Brand You Image

Diana Jennings is the first consultant to hold advanced certifications as a Personal Brand Strategist and Image Professional. She is the founder of Brand You Image, and specializes in the non-verbal communication of your brand. Diana's Silicon Valley corporate sales experience has given her a keen insight on how doors are opened as a result of branding and image. Her programs, coaching and passion for personal development supports professionals in their career advancement by ensuring that their brand and message is accurately being communicated.
